## Weddings & Events

### Location

For those searching for an exclusive tropical destination, Casa del Arbol offers a relaxing, intimate atmosphere where guests are entertained in exclusive privacy. Perched on a hill overlooking the crescent-shaped bay of Zihuatanejo this private villa is centrally located and within walking distance of the quaint downtown area, beaches and restaurants.

### Guest Count

**A small wedding** with both the ceremony and reception at Casa del Arbol may be planned with up to 45 guests.

**A large wedding** may be planned for up to 65 guests. The ceremony may be planned at the beach or one of the churches. Guests will return to a sit-down dinner at Casa del Arbol for up to 58 guests. A less formal cocktail reception with a tapas-style menu may be planned for up to 65 guests.

For weddings with guest counts that will exceed 65 guests, event coordinators will plan a ceremony and reception at a different location, and a cocktail party, private dinner or pool party may be planned at Casa del Arbol

### Ceremony

A legal or spiritual ceremony may be planned at Casa del Arbol, at one of the nearby beaches, at the Catholic church or in the chapel in Petatlan.

**A legal ceremony** requires a marriage application which must be completed and mailed to Zihuatanejo at least 3 weeks before the ceremony.

**A spiritual ceremony** is chosen by a couple who wishes to renew their vows or by those who prefer to take care of the legalities in their country of origin and celebrate their marriage with friends and family in Zihuatanejo.

### Dinner Menus

**Classic** The magical atmosphere of Casa del Arbol is perfect for an elegant sit-down dinner preceded by a cocktail hour with appetizers.

**Cocktail Reception** A celebration that is fun, sophisticated and less formal than a seated dinner, a cocktail reception features a tapas-style menu and encourages guests to move and mingle. Seating is provided for about 60 percent of the guests.

**Custom** Coordinators will work with caterers to create a dining experience designed especially for you.
